Dear PAOLO Friends & Families,

The mornings are getting lighter, birds are chirping, and flowers are popping up everywhere. Spring is almost here! After our winter hibernation we are ready to get outside, feel the sun on our faces and reconnect with our international community.

We've highlighted a few of the upcoming PAOLO events for you below, and we've also included a complete calendar of all the events planned for the rest of the 2023/24 school year.

In addition to our monthly *Coffee Mornings*, we've also scheduled a wine tasting event in March and a dinner date in April, so you can meet your international friends in the evening over drinks. For our afternoon family event this year, we'll be hosting our Paolo Picnic at the beautiful Pleistermühle. Come on your own or bring the kids for a day of mini-golf and canoeing on the Werse river.

We'll be sure to keep you posted with all the details on any new activities as the year goes on, but for now you have an "Überblick" in one convenient place.

We look forward to seeing you soon!
